SAFE EXPOSURE TO THE SUN

PURPOSE

The Carson City School District Board of Trustees (“Board”) believe that safe exposure to the sun is vital in keeping students safe and healthy. Through this policy and related documents and activities, the Carson City School District (“District”) seeks to promote sun safety and skin cancer prevention and awareness. Students, staff, and volunteers are encouraged to use sunscreen and protective clothing to protect against dangerous overexposure to the sun, harmful ultraviolet (UV) rays, and the development of skin cancer.
