**POLICY No. 820
OPERATIONS**

SAFETY AND SECURITY SURVEILLANCE MONITORING

The Board of Trustees recognizes that maintaining the safety and security of students, staff, and District property is best implemented through a multifaceted approach. To the extent modern technology provides tools to maintain safety and security, the use of technology such as video surveillance cameras is supported by the Board. Video surveillance may be utilized in and around schools, on District property, and on school transportation vehicles. Cameras may be equipped with audio recording capabilities as well. Video surveillance shall be in accordance with applicable laws pertaining to such use. The District shall also comply with applicable law related to maintaining video recordings. The Superintendent or designee is directed to develop regulations governing the use of video surveillance in accordance with applicable law and Board policy.
