

**BOARD OF TRUSTEES
CARSON CITY SCHOOL DISTRICT**

**POLICY No. 411
CLASSIFIED STAFF**

NON-SCHOOL EMPLOYMENT

It is the policy of the Board that classified employees shall not engage in outside work activities which tend to interfere with the performance of their assigned duties as employees of the District. Employees interested in working a second job should discuss their second job plans with the principal or supervisor prior to making a commitment for outside employment.

The employee's supervisor or principal will determine the degree to which, if any, the employee's non-school employment interferes with the performance of assigned duties in the District and will report such determination in the employee's written evaluation report.
