The Board of School Trustees authorizes the establishment and maintenance of Agency Funds known as the Student Activity Accounts.

The Board shall establish financial controls for the administration of the various student activity funds (monies) operated for the benefit of the student body. Such activity funds shall include funds for the operations of student government, student clubs, student entertainments, student publications, school classes, and interscholastic athletics.

It is the policy of the Board to facilitate the interscholastic activity program by providing certain sums to help defray the cost of activities of the program and, to the extent possible, conduct the interscholastic activities program on a self-sustaining basis.
