

**BOARD OF TRUSTEES
CARSON CITY SCHOOL DISTRICT**

**POLICY No. 811
OPERATIONS**

TRANSPORTATION

The Board recognizes that the transportation of District students to and from school or school activities may be required. When mandated by State and Federal law or regulation the District will transport special education students.

The Board may authorize the purchase and maintenance of equipment and vehicles for the transportation of students.

Whenever school buses are transporting students, the Carson City School District Transportation Department's SCHOOL BUS RULES AND DISCIPLINARY ACTION GUIDELINES will be observed.
