**POLICY No. 539
STUDENTS**

INDEPENDENT STUDY IN PHYSICAL EDUCATION

The Carson City School District recognizes the importance of a wide variety of organized physical education activities, many of which the District is unable to offer. The Board of Trustees hereby authorizes the District to allow students to earn up to two (2) high school physical education credits (but not elective credit) in approved organized activities. Regulations governing the requirements for the earning of physical education credits through independent study shall be written and enforced by the administration.
