

NOVEMBER NEWSLETTER

From the Principal's Office

Happy November! This month is quite busy considering Veteran's Day holiday and Thanksgiving. This month, we wanted to focus on our school theme of "Find A Way". There is a saying that if something is important to you, you will find a way. If it is not important you will find an excuse. We believe that our students are finding their way. It might be a path of knowing the multiplication facts, knowing how to read with fluency, knowing how to get along with classmates, knowing how to be respectful of school rules. Each child has different areas that he/she has to struggle and FIND A WAY to learn. We have taken this theme to the Halls and Walls. We have added lots of staff-created murals this past summer to help our students identify with the theme of "FIND A WAY". We encourage all of our community of learners to challenge our students by asking, "How can you FIND A WAY to be successful in this task?" or "How might you FIND A WAY to preserve through this difficult task?"

De la Oficina de la Directora

¡Feliz Noviembre! Este mes está bastante ocupado considerando el Día de los Veteranos y el Día de Acción de Gracias. Este mes, queremos concentrarnos en el tema de nuestra escuela de "Encuentra Un Camino". Hay un dicho que dice que si algo es importante para usted, encontrará un camino. Si no es importante encontrará una excusa. Creemos que nuestros estudiantes están encontrando su camino. Podría ser un camino de saber las tablas de multiplicar, saber leer con fluidez, saber cómo llevarse bien con sus compañeros de clase o saber cómo respetar las reglas de la escuela. Cada estudiante tiene diferentes áreas en las que tiene que luchar y ENCONTRAR UN CAMINO para aprender. Hemos llevado este tema a los Pasillos y Muros de la escuela. Este verano pasado, hemos agregado muchos murales creados por el personal de la escuela para ayudar a nuestros estudiantes a identificarse con el tema de "ENCONTRAR UN CAMINO". Animamos a toda nuestra comunidad de aprendices a desafiar a nuestros estudiantes preguntando, "¿Cómo puede ENCONTRAR UNA MANERA para tener éxito en esta tarea?" o "¿Cómo podría ENCONTRAR UN CAMINO para preservar a través de esta tarea difícil?"
